ONLY  
CHOICE!

# SELECT-A-WASH

## TOUCHFREE, FOAMBRITE OR BOTH

FoamBrite Enhances vehicle gloss and shine while providing a gentle yet thorough wash.

Split Rotating Wash Arms Provides for the rotation of the arms only when there is a vehicle surface to be cleaned.

Tri-Phase Detergent Provides A Colorful and Effective Way to Wash Away Dirt and Road Film.

High Impact Wash Features an advanced oscillating spray pattern designed to totally remove all vehicle surfaces.

Foaming Pre-wash loosens and floods away dirt and road film.

Backwash/Wheel Blower directs a concentrated water flow at those hard to reach places on your vehicle.

## THE CHOICE IS YOURS

# SELECT-A-WASH
